Dear Parents,

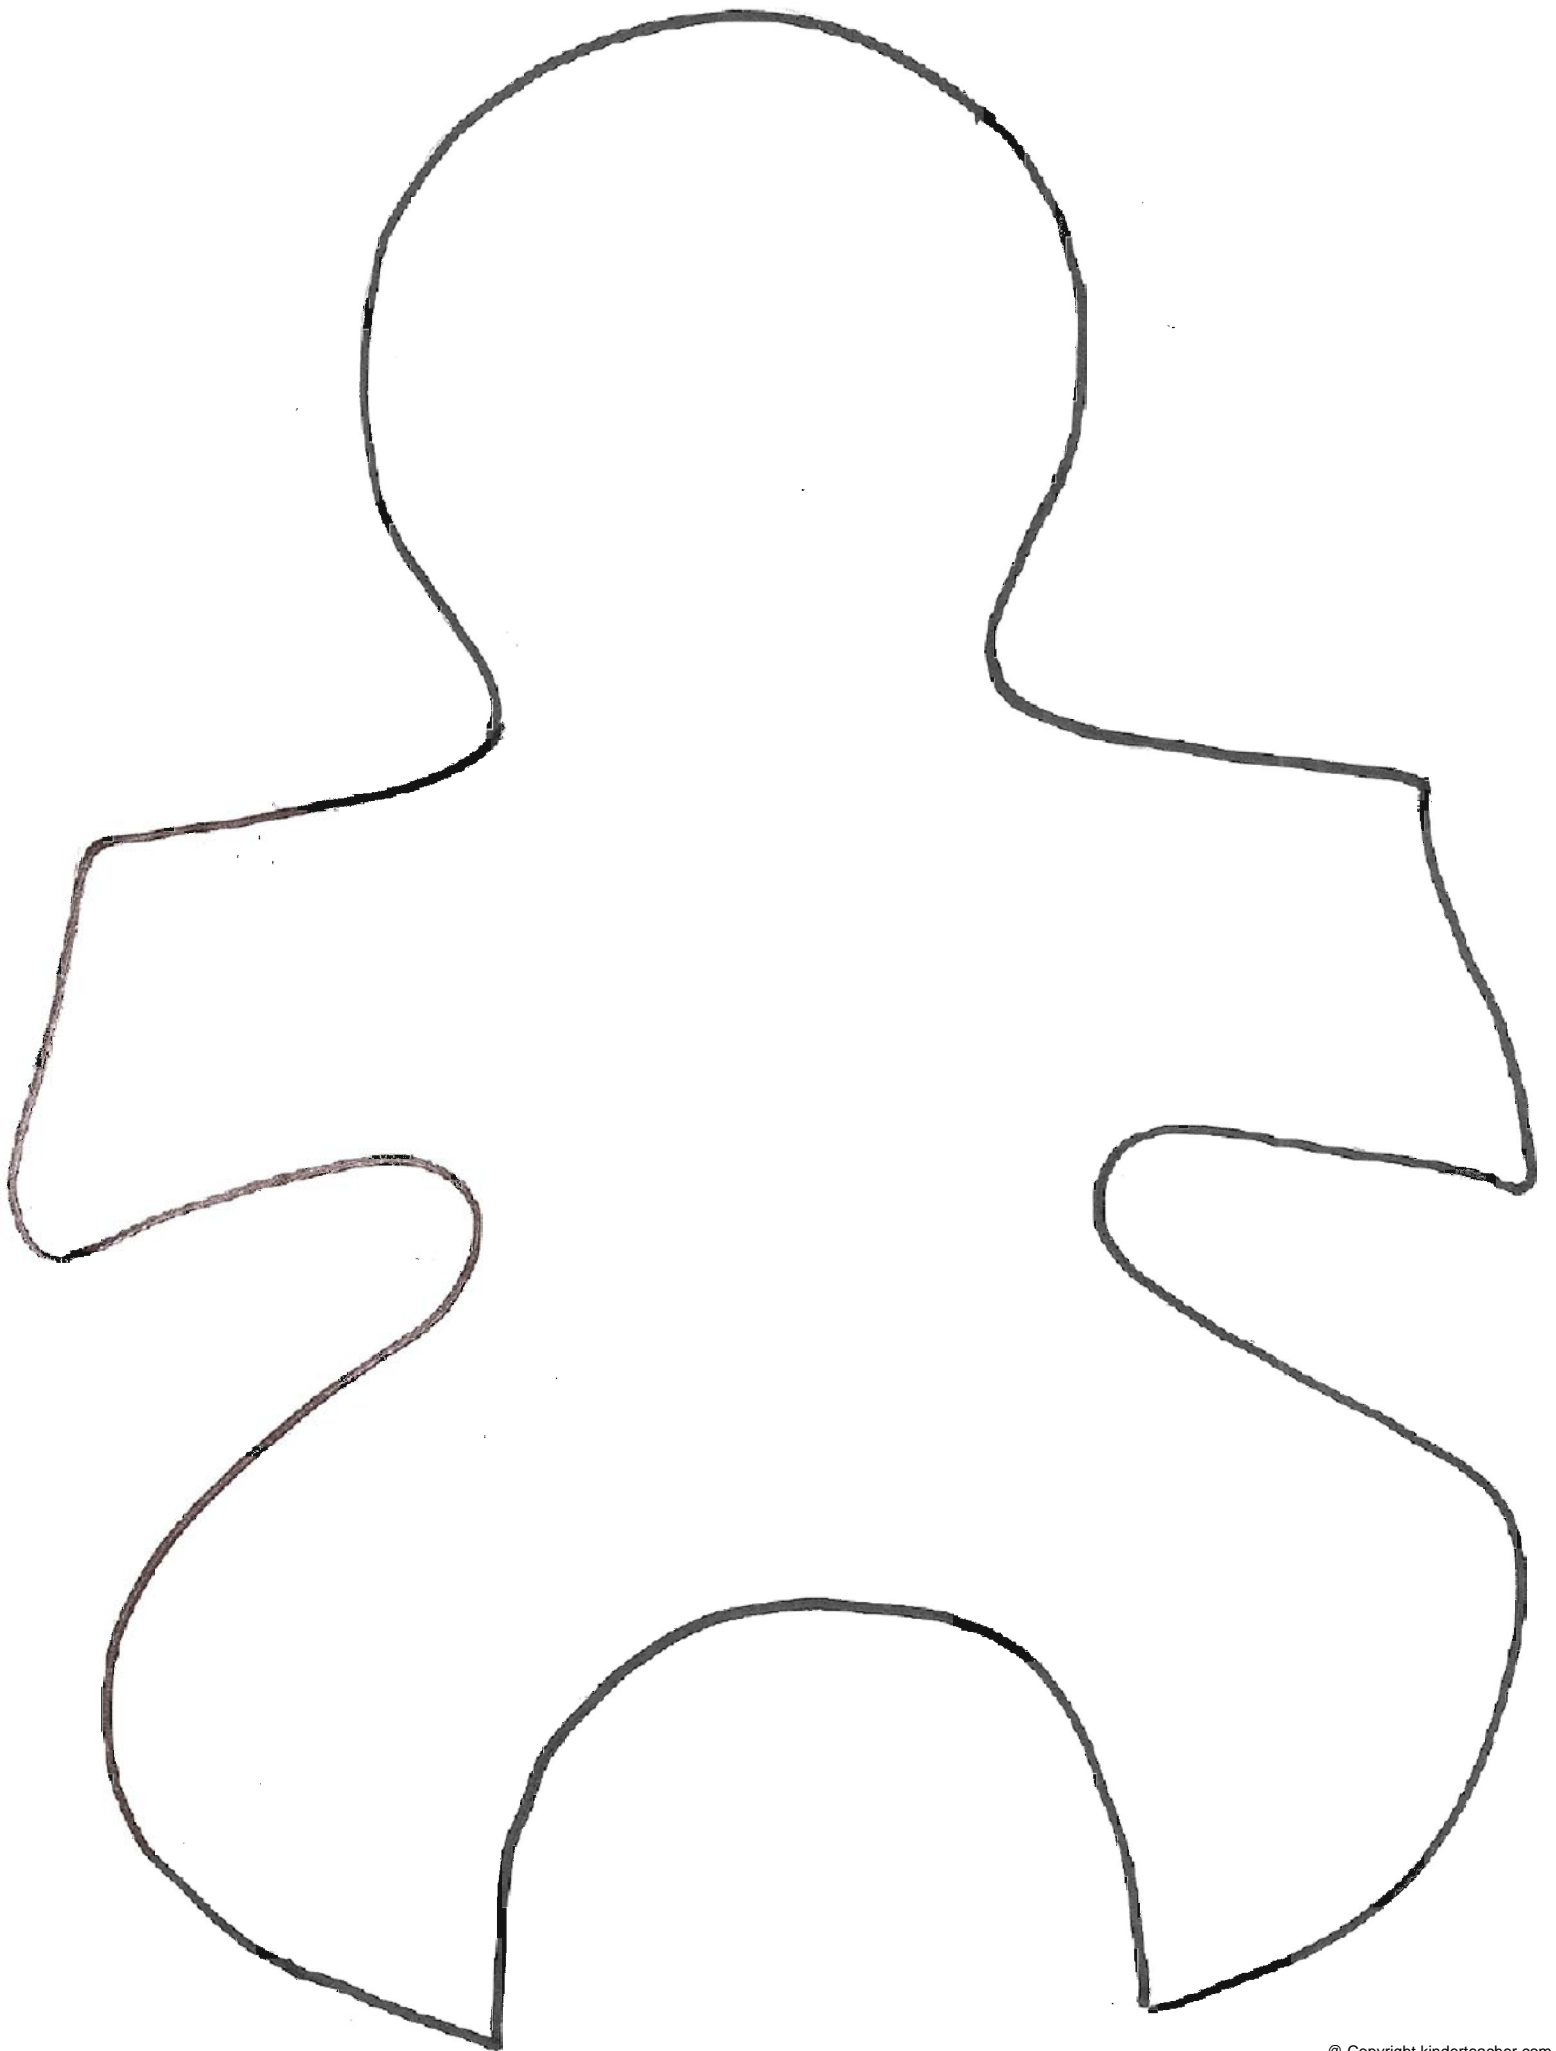

In order to get to know each other, I would like to have each child make a "Puzzle Person." I have attached a little person for each child to decorate. The pieces are universal and each piece fits with the next. So please don't change the shape of your piece. We will be using these pieces to fit together for our bulletin board.

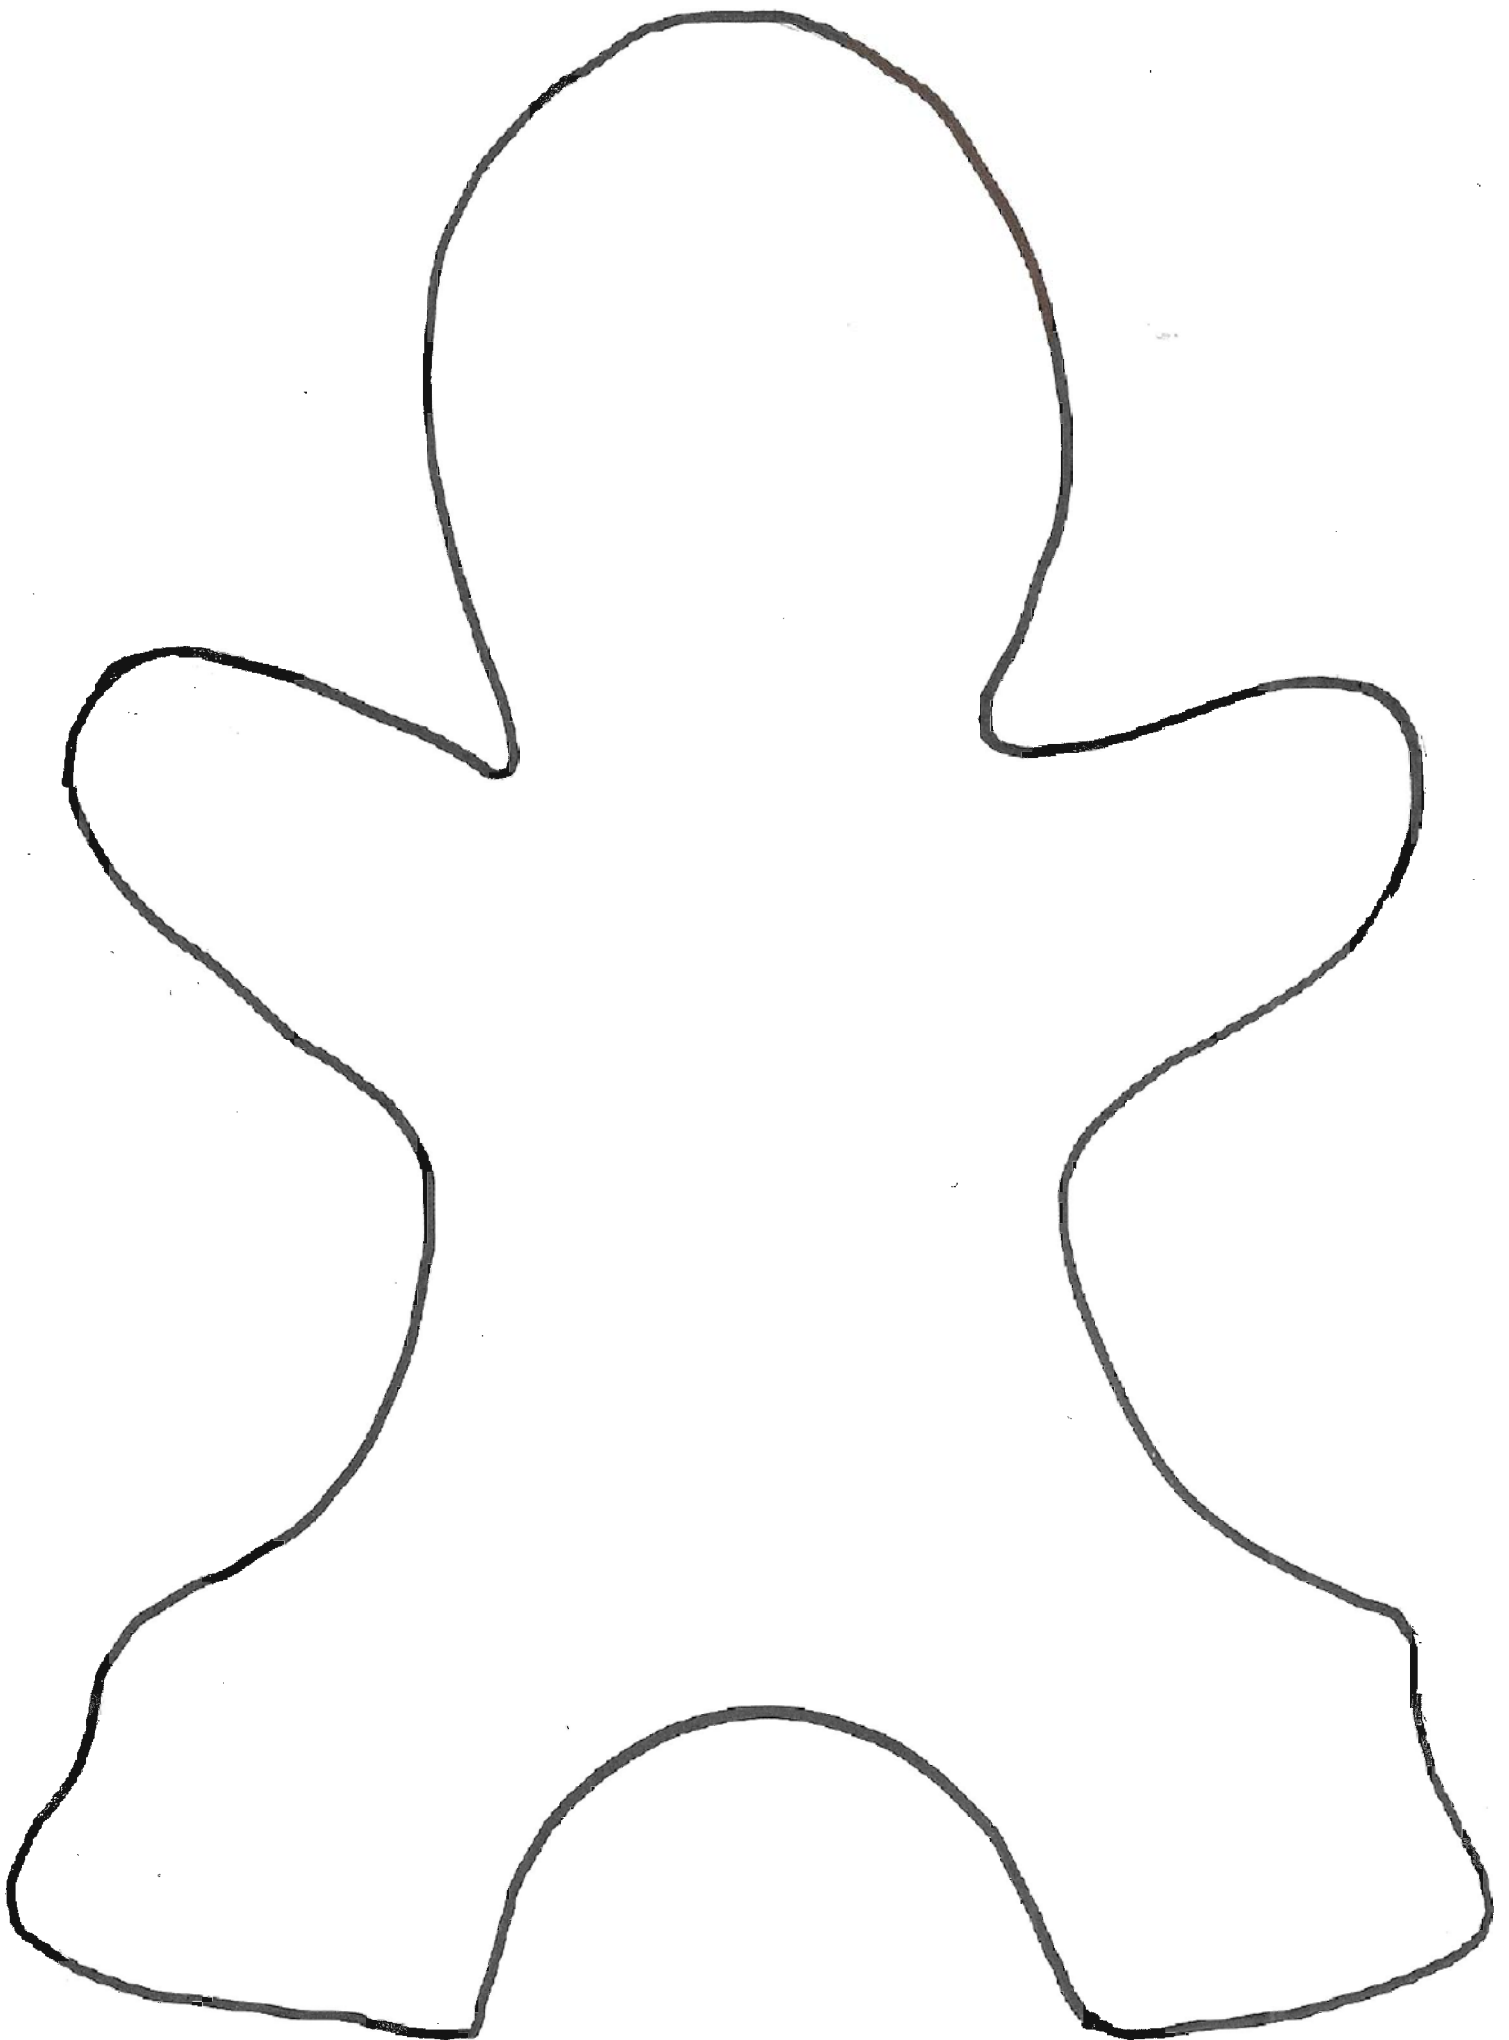

You may assist your child in decorating a self portrait using construction paper, fabric, glue, yarn, crayon, markers, pencils, magazines, photos, etc. Please feel free to decorate any way you would like. Your child may choose to "dress" their person to show his/her interests--soccer, swimming, gymnastics, baseball, etc. Be creative!

We would like to have these completed by_____. Please put your child's first and last name on the back of the puzzle piece. If you have any questions, please feel free to contact me. I hope this will be a fun, family project.

Thanks,

Final
