

Dear Parents,

We have been working on dental health and discussing the importance of taking care of our teeth. Each child will be bringing home a large toothbrush with a space to put a sticker (or happy face) for each day that he/she brushed his/her teeth two times. We would like to ask your help in returning the bottom portion of this paper to let us know that your child has brushed his/her teeth this week. It is not necessary to return the toothbrush to school. Each child will receive a certificate for his/her efforts!

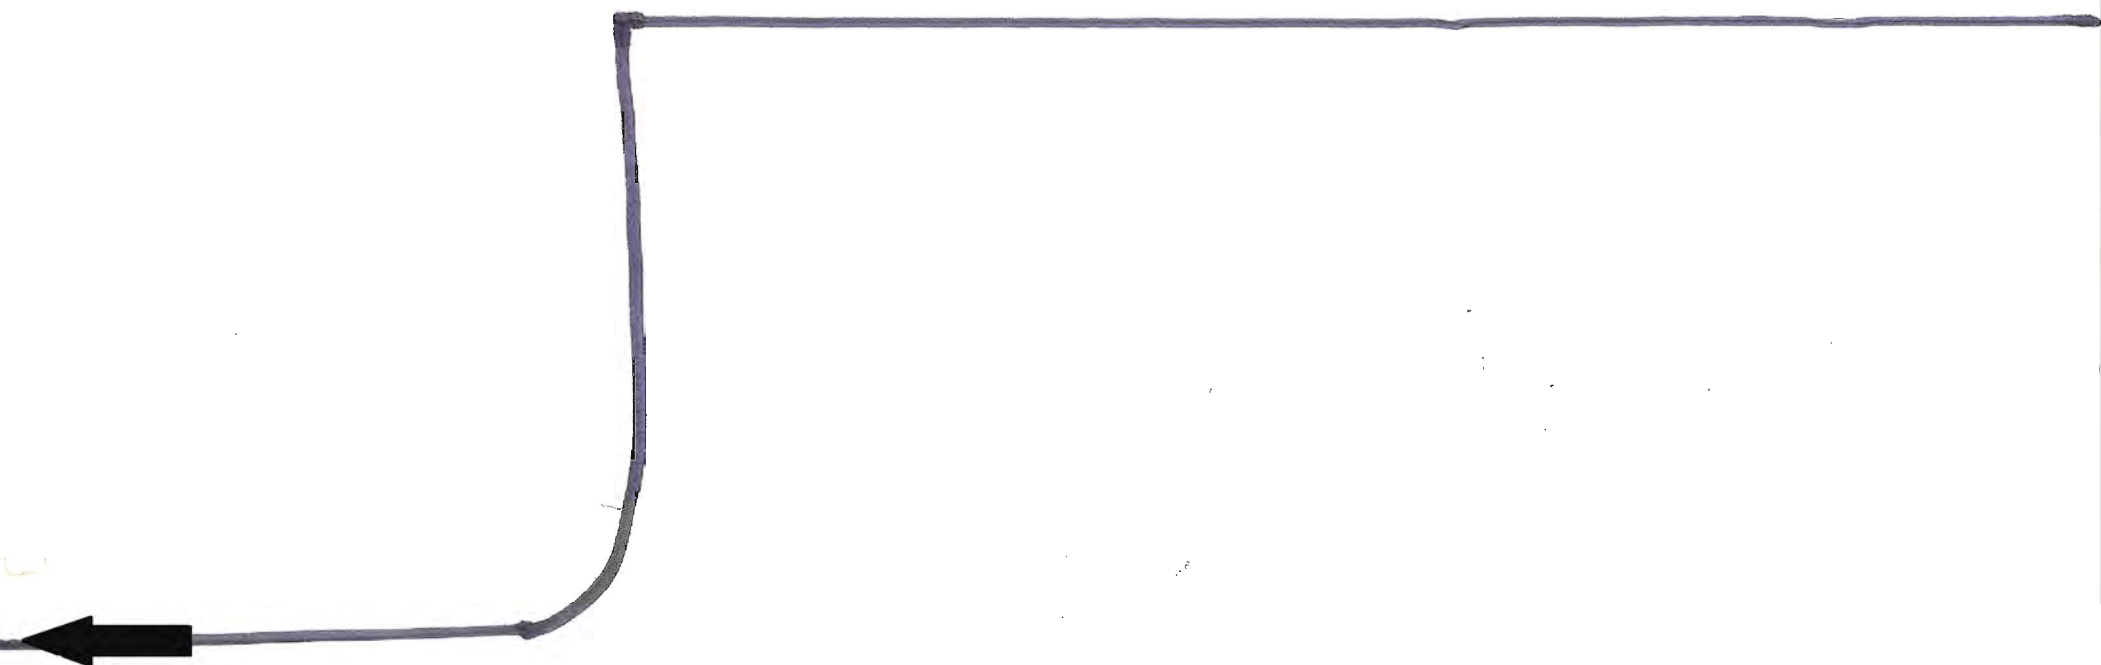

Thanks,

Yes! My child has brushed his/her teeth at least twice a day from Monday-Friday of this week.
